June 15, 2011

Dear Patients,

It is with deep sadness that I announce my retirement from the practice of Pediatrics on January 1, 2012. For over 40 years I have attempted to provide you and your families with quality care, and have enjoyed your friendship and your kindness. I have felt that I have been a member of your families and hope that I have been a positive influence in your lives. My aim has been to treat all of you as if you were members of my family. I will miss my contact with you and the warmth and concern which you have shown me. I trust that the future will hold nothing but good health and happiness for all of you.

I hope that you will remain with my associates at Pediatric Associates of Medford for your future Pediatric Care. They will certainly provide you with the up to date, quality care which you desire.

I will not say goodbye but, simply "till we meet again."

Sincerely,

A handwritten signature in cursive script that reads "Melvyn B. Levine M.D." The signature is written in black ink and is positioned above the printed name.

Melvyn Levine, M.D.
